Remove and unwrap crystal disc from top of Protection Cube. Unwrap, Argon tube and carbon rod. Turn Protection Cube on 45 degree angle and gently lower carbon rod and then Argon Gas tube into the Protection Cube. We want to set the Argon Gas on top of the small Carbon rod. Set Protection Cube upright and replace crystal disc. Plug in connections as shown above. (For Auto Play – USE REMOTE - press play, after sound comes on press repeat 2 times) Adjust the inner amplifier control dial on the front of the Cube about half way or until the LEDs begin to flash. Do not turn the inner dial amplifier control on the front of the case all the way up or you can create overheating. This unit is designed to play 24/7. The side dial controls the speaker volume.

- Audio CD with Proprietary Custom frequency generating sound track
- Protection Cube comes with a portable DVD/CD player. This allows us to deliver better wave forms and frequencies to the end user when played through our custom Power Amplifier.
- Small Carbon Fiber rod
- We created a new pressurized tube containing the Inert Noble Gas, Argon. Argon is used for the destruction of negative thought forms and is extremely powerful. Negative thought forms are one of the major causes of depression. You might be quite surprised to see how many people will benefit from this feature alone. Argon also assists with energy in the solar plexus (fight or flight) and energy having to do with our own understanding of self-empowerment. Most people report improved sleep when exposed to Argon.
- Internal LED disc pad and Optical quality quartz tube
- Internal power amplifier with 110/220 Universal power supply
- Protection Cube comes with a 2.5" optical quality quartz crystal disc on top. Our coherent frequency light system strobes the various patterns through the crystal disc.
- Protection Cube comes with an External White 4.8 inch Pyle External Speaker. The speaker also has Video shield protection.
- Protection Cube comes with 2 8oz's bottles of Sacred Scalar Protection Concentrate.

Place 1 bottle of Sacred Scalar Protection Concentrate on top of your Sacred Scalar Protection Cube. Allow program to run through 1 cycle which takes a little over 1 hour. After the program is finished mix 2 oz's with 1 gallon of distilled water. (You must use distilled water, we require water that has been stripped of memory. Filtered water will not do. Our process will amplify any remaining particulates in that water). Shake well and let stand for 5 minutes. Pour yourself a glass full and you will notice that the distilled water has been transformed into sweet tasting Divine water. Continue drinking the water throughout the days and weeks ahead. You will quickly notice that your Sacred Scalar Protection Water quenches your thirst like no other water while dumping stored toxins. You will experience an uptake of energy while your body is hydrating for the first time. Always leave a bottle of Sacred Scalar Protection Concentrate on top of your Sacred Scalar Protection Cube. The Sacred Scalar Protection Water acts like a tuning fork, radiating the positive frequency energy directly to the cellular bio-matrix of the body and environment. As with all our waters, mix 2 oz's with 1 gallon of distilled water and drink daily to hydrate and help flush toxins.
