Protection Cube - Sacred Scalar "I AM DIVINE" Protection Meditation

The Protection Cube comes with 2 CD's. The Sacred Scalar Protection Program (White) CD. This CD contains the program that we normally play in the auto repeat mode 24/7 in the home or office. The Temple Photo CD contains a 34 min program that is similar to the original program. The Temple Photo CD is used when small groups gather for our self empowerment program. We encourage all Protection Cube owners to invite friends and loved ones to their home and join our global internet "I AM DIVINE" group meditation program on Thursday nights.

We created a special 34 minute program for owners of the Sacred Scalar Protection Cube. Our goal is to invite friends, and loved ones to your home or office, and demonstrate the power of the Protection Cube. The Protection Cube will strengthen the protection circles while removing negative energies from the home or office. We also want to share the empowerment that builds as one begins to acknowledge their Divinity.

The Divine Spiritual Warrior program consists of playing our wonderful 34 minute CD that contains a white noise ocean wave program and embedded proprietary frequencies and wave form information. While the program is stimulating and cleaning the environment we also charge a bottle of Protection Water. We invite the group to close their eyes and meditate on the mantra "I am Divine". Gently repeating "I am Divine" allows the participant to empower themselves while claiming their Divinity. This process increases the power of their Protection Circles. After the program is complete we mix the newly charged Protection Water with distilled water and everyone gets to drink the special water and share their experiences.

It is our hope that once you experience the strength, peace and balance the Protection Cube program creates, you might consider joining our Divine Spiritual Warrior Program and purchase, rent or lease one for your own home and family. One of the experiences we hear over and over is how sleep has improved and families with young children are no longer having bad dreams.

We will also be producing a library of photo's showing Celestials, Angels and Entities. One has only to search the Internet to see how many of these bothersome and negative spirits have been photographed with the introduction of the new high speed digital cameras. Recently a NBA team reported being disturbed in their hotel. Shows like Ghost Whisper, Taps, or Celebrity Ghost stories etc are becoming more and more popular.

Once you own a Protection Cube you will be able to repeat the process with your fiends and loved ones while earning extra income during these difficult times. Most people who attend our wonderful program purchase additional Protection Water to continue using at home. Some of our owners have been renting the Protection Cube for a 2 week trial period at \$75. Almost everyone who tries the Protection Cube in their home or office ends up purchasing one. The empowerment program has created an additional source of revenue for our Protection Cube owners while sharing the Divine Technology.

Place 1 bottle of Sacred Scalar Protection Concentrate on top of your Sacred Scalar Protection Cube. Allow program to run through 1 cycle which takes 34 minutes. After the program is finished mix 2 oz's with 1 gallon of distilled water. (You must use distilled water, we require water that has been stripped of memory. Filtered water will not do. Our process will amplify any remaining particulates in that water). Shake well and let stand for 5 minutes. Pour a glass for everyone and they will notice that the distilled water has been transformed into sweet tasting Protection Water.
